Jeff,

Speaking on behalf of Troop # 603B, Troop # 603G and their member families, we are respectfully requesting you remove and cease posting the names of our membership on your webpage Eagle roll. Troop 292 & 603 are independent units. We are happy to partner with all of the Hooksett scouting organizations in service to our community and for the Scouting tradition itself. However, we choose to Honor our Eagles and celebrate our scouting traditions in our own way.

I trust, after consulting the Scout Oath and Law, you will honor the wishes of Troop # 603 and their member families without reservation.

Respectfully,

David Hutchinson
