This year's Klondike will be a half-day event with no overnight camping. There will be six skills stations (First Aid, Wilderness Survival, Fire Building, Map & Compass, Woods Tools and Knots & Lashings). Ten sleds will run in the morning (8:00-11:30am), another ten will run in the afternoon (12:30-4:00pm). Patrols are limited to six scouts max.

WAITING LIST *(potential second patrol)*

Troops are initially limited to entering only one sled. If all twenty slots don't fill up, troops may register a second sled, space permitting. The waiting list will be used to either replace scouts who have to drop out, or possibly for a second sled.
