### Head Cook

Wash hands, determine recipes, assign responsibilities to assistant cook and others, prepare meals, advise Patrol when meal will be served, ensure all utensils used for cooking are clean.

### Assistant Cook

Assist with meal preparation as determined by cook, prepare hand washing station with warm water and rinse water (use same tubs used for cleanup), boil water for cleanup.

### Fire Builder / Water Man (1 Scout)

Ensure fire buckets are full (water and dirt), and as applicable: Arrange or clean fire pit in accordance with Scout policy. Find and stack wood needed for fire or start charcoal if needed. Keep fire going throughout meal. Ensure fire is completely out when no longer needed.

Keep water jugs full and refill when needed. Fill fire buckets. Purify water if fresh water is not available.

### Kitchen Cleanup (2 Scouts)

Wash and dry all utensils and cooking equipment. Clear table, neatly repack and secure Patrol box. Clean patrol stove if used. Oil Dutch oven if used. Notify Quartermaster if any supplies are needed.

### Patrol Site Cleanup

Set up garbage bags and secure camp gadgets. Secure garbage bags at night and start new one when current one is full.

### Other Patrol Responsibilities

The whole patrol should share campsite set up. After pitching individual tents, the Patrol may want to set up a dining fly and secure their food with their Patrol box. Build a fire ring if Patrol fire rings will be used. Gather wood for the weekend. Build any camp gadgets agreed upon by the Patrol. At the conclusion of the camp out, the site should be returned to the same condition it was in with all trash carried out and brush returned where possible.
