SPLs and Scoutmasters should both attend the Pre-Camp Meeting. SPLs will handle programs in one breakout, while Scoutmasters handle policies, procedures, and administrative matters in the other. These are simultaneous and cannot be attended by the same person.

Programs should be selected by the unit prior to the meeting. SPLs should come prepared to schedule unit activities, along with any questions.

PRE-CAMP MEETINGS WILL BE HELD ON ZOOM.
ACCESS LINKS WILL BE SENT OUT PRIOR TO THE MEETING, AND CAN BE ACCESSED ON
THE COUNCIL WEBSITE.

GRISWOLD SCOUT CAMP PROGRAM

Griswold Scout Camp's program consists of three elements:
1) Individual Advancement
2) Unit/Troop Activities
3) Campwide Activities/Competitions

INDIVIDUAL ADVANCEMENT

Refer to on Page Merit Badge Schedule on Page 5 & Daily Program Schedule on Page 9

Monday and Tuesday will consist of the same two merit badge blocks, whereas Wednesday and Thursday will consist of two different merit badge blocks. In total, there are four available merit badge blocks. Some merit badges and programs, such as Frontier! and Lifesaving, may take up two blocks such as Merit Badge Block 1 and Block 2. These programs will run Monday through Thursday, either from 9-10:30 AM, or 10:45-12:15PM.

UNIT/TROOP ACTIVITIES

Refer to the Troop/Unit Activities Planning Worksheet on Page 7

Every day, including Friday, there will be two blocks for Unit/Troop activities. These programs are designed to provide fun, enriching, and challenging experiences for Scouts. In advance of the Pre-Camp Meeting, the SPL should survey the unit and/or PLC well in advance to see what activities they are most interested in doing at camp. Detailed descriptions follow in this manual of each program area and their offerings.

As always, we support your unit's program. If you would rather conduct your own program during this time, please do so!

CAMPWIDE ACTIVITIES/COMPETITIONS

Refer to the Open Program Schedule on Page 8

During the evening, Monday through Thursday, many program areas will open for open programs! Come with your unit, patrol, or just buddy pair! This is a great opportunity to try new activities, meet new people, and just have fun! Select programs will continue until the evening and end at 9:30PM. On Friday, following lunch, campwide competitions and open programs will be conducted all day until dinner! Challenge another unit! Enjoy programs! More to be announced!

MERIT BADGE PLANNING/PREPARATION

SELECTING MERIT BADGES

Selecting a merit badge depends on a variety of factors: the Scout's age, abilities, and the unit's year-round program. Each Scout's schedule should be challenging, but attainable. A Scout is at camp to have fun, not to be frustrated with incomplete merit badges. Remember each Scout is different, so each case should be handled individually. Most importantly, it's not how many merit badges are earned; it's how great of a time they had. We highly recommend all new Scouts join the Frontier! Program.

PREREQUISITES

Numerous merit badges require work that must be done outside of camp to complete the merit badge. Please consult BlackPug for further prerequisite information. To receive credit for work done outside of camp, please bring proof on the first day of class.

MERIT BADGE SUPPLIES

Some merit badges may require additional fees. Please reference BlackPug for more information.

PARTIALS

Any Scout finishing some, but not all, of the requirements for a merit badge will receive a "partial" merit badge. It tells what a Scout has and has not completed. They can work on requirements until their 18th birthday to complete any merit badge either at home with a qualified counselor or next summer at Hidden Valley Scout Camp. A counselor reserves the right to re-test previously passed requirements. Scouts should not have to fully re-take a merit badge if they have partial credit. Consult the Program Director for advice in this matter.

EXTRA HELP

If a Scout is having trouble with any merit badge, we will give the help needed. Arrangements can be made for extra or make-up time with the counselor.

ACCOMMODATIONS

We understand some Scouts may need accommodations. GSR and Hidden Valley Scout Camp will do everything in their power to support these. Please contact the Camp Director and/or Program Director at/or prior to your Pre-Camp Meeting to address this issue.

ADVANCEMENT POLICY

As always, GSR's advancement policy is that a Scout must complete 100% of the requirements before receiving the badge. Some merit badges cannot be completed during camp unless prior work has been done before arriving at camp.

ALL DAY PROGRAM - NEW FOR 2024!

If you're interested in experiencing any of our Camp Bell Programs (Farm, ATVs, or Logging Camp) you can sign up for these All Day Programs. As depicted in the following schedule, this includes two FULL days (From 9 AM until 5 PM) of All Day Programs of your choosing where you can have fun and earn merit badges. This is by individual sign up, but it is recommended to sign up with a buddy. For this experience, you will choose two Camp Bell programs and two days, either Monday/Tuesday or Wednesday/Thursday. On your chosen days, you can gather at Valley Admin after breakfast to be brought over via bus to your All Day Program.

TROOP/PATROL ACTIVITIES

Every day, including Friday, there will be two blocks for unit activities. These programs are designed to provide fun, enriching, and challenging experiences for Scouts. In advance of the Pre-Camp Meeting, the SPL should survey the unit and/or PLC well in advance to see what activities they are most interested in doing at camp. Detailed descriptions follow in this manual of each program area and their offerings. We recommend you come prepared with back-up options!

DAY-TO-DAY EXPECTATIONS

SUNDAY CHECK-IN

Sunday is the day we all anxiously look forward to: the first day of camp! You will be given a check-in time during your pre-camp meeting, either 1 PM or 3 PM. Your troop should arrive at your given time where you will then be ushered in by our staff, who will help you find your troop's campsite sign to begin unloading your gear. Our commissioner team will then deliver your gear up to your campsite for you. Once your whole troop is gathered and gear is unloaded, you will be greeted by a staff member who will be your tour guide for the afternoon. This tour guide will take you to drop off necessary medications and forms, to the dining hall to get acquainted with our meal procedures, to the waterfront for your swim test, to the council ring for troop photos, and to your campsite to begin unpacking. Along the way, you will also be introduced to each of our areas, feel free to ask any questions you may have about camp at this time!

DINING HALL & PATROL MEALS

Meals will be provided in the Gilbert Hall for campers, adult leaders, and staff members. Breakfast and dinner will be served in the traditional family-style manner. Lunch will be served in a grab-and-go buffet style in the dining hall. Campers and adult leaders are encouraged to mingle with different troops during the lunch period and are welcome to utilize the seating in the dining hall or the picnic tables located around the Upper Parade Field and Carter Grove. Seating in program areas will be off limits for campers during this time. Class A's will be expected to be worn during dinner.

Troops will also be given the option to participate in patrol cooking! Those troops participating in patrol cooking at their campsites will not be required to attend flags in the morning, but they will be expected to attend flags after dinner. Please note that patrol cooking is only offered to a limited number of troops on a first come first serve basis during registration. Also note that if your troop decides to participate in patrol cooking, the entire troop will be expected to participate for the entirety of the week. A staff member will be assigned to assist with any needs. Equipment and uncooked food will be provided.

DAY PACK ESSENTIALS

Because you will be doing so much walking and visiting so many various areas of camp, we recommend you carry a day pack with you during Sunday check-in. This day pack should consist of:

Swimwear/Goggles Class A (if needed for photos)

Towel Water Bottle

Sunblock Weather Dependent Gear (if necessary)

MERIT BADGE BLOCK SCHEDULE

Monday through Thursday mornings will consist of merit badge blocks. Merit Badge (labeled MB)Blocks 1 and 2 take place during Monday and Tuesday. MB Block 1 begins at 9 AM and ends at 10:30 AM, MB Block 2 begins at 10:45 AM and ends at noon so that campers can proceed to lunch! MB Blocks 3 and 4 follow a similar time frame as Blocks 1 and 2, but take place on Wednesday and Thursday only.

FRIDAY PROGRAM

Friday is a full day of fun! No merit badge classes! Begin the morning with 90-minute unit activities, compete with other units in campwide games, enjoy open programs across the camp, and wrap it up with laughs and reflection at our Closing Campfire!

Stay tuned throughout the week for news and updates, some events may require advanced signup!

SATURDAY CHECK-OUT

The hardest goodbye... On Saturday morning, your troop will gather its gear and place it all by your campsite sign to be transported down to the parking lot for your departure. Then you can meet at the dining hall at 7 AM for a grab and go breakfast to depart from camp by 8 AM. From there, it's time to say goodbye for the summer to the Land Made for Scouting.

LEADERSHIP MEETINGS

SPL MEETINGS

Every day, at 1:00PM, SPLs will meet outside of Carter Lodge in Carter Grove. These meetings will take place with the Program Directors and various Commissioners. Each SPL should be ready to talk about their experience at Hidden Valley. Bring questions, comments, or concerns. These meetings are crucial to provide updates about various programs, upcoming events, and more.

CAMP DIRECTOR MEETING

Come down to the Hidden Valley Council Ring (weather permitting), on Monday, Wednesday, and Friday 9:15AM to meet with our Key Staff! Learn about check-out procedures and other important information. We'd love to hear your feedback, whether good or bad! *Feedback is a gift!*

Don't be afraid to address any issues with your campsite Commissioner! They act as your liaison and are there for you! They can either assist or direct you to the appropriate staff.

FRONTIER!

The Frontier! Program is designed exclusively for the brand new, "never been to summer camp" Scouts from your Troop.

The format of the program each day is modeled after an ideal meeting. All Frontier! participants will be grouped with Scouts from other Troops to form patrols and the "Frontier Troop." Patrols will elect Patrol Leaders each day, make a flag to show unity and spirit, and do all sorts of things together. Fun and learning is the name of the game!

The Frontier Troop will spend each day learning about and experiencing the basic outdoor and Scouting skills. Because of the large volume of material to be covered, it is highly recommended and encouraged that Troops retest and review skills – before and after – which are learned in Frontier.

Frontier! Scouts should always carry a water bottle, raingear, and other supplies needed for that day in a personal daypack. Be Prepared!

On Friday, Frontier! participants will take part in their biggest challenge yet. A 5-mile hike that incorporates skills learned throughout the week! The hike also includes a trail lunch, a visit to the top of a mountain, a pass through a secluded swamp, and a tour of the Reservation! Scouts will get to explore Camp Bell!

You'll never forget this!

SCOUTS WILL BE INSTRUCTED IN THE FOLLOWING:

Scout Requirements: 1a, 1b, 1c, 1d, 1e, 1f, 2, 2a, 2b, 2c, 2d, 3a, 3b, 4a, 4b, 5.

Tenderfoot Requirements: 3a, 3b, 3c, 3d, 4a, 4b, 4c, 4d, 5a, 5b, 5c, 7a, 8.

Second Class Requirements: 1b, 2a, 2b, 2c, 2d, 2f, 2g, 3a, 3b, 3c, 3d, 4, 5a, 5d, 6a, 6b, 6c, 6d, 6e, 8a, 8b, 9a.

First Class Requirements: 1b, 3a, 3b, 3c, 3d, 4a, 4b, 5a, 5b, 5c, 7a, 7b, 7c, 7d.

Totin' Chip, Firem'n Chit, and the Outdoor Code will be taught, also.

To receive a FRONTIER! Certificate, the Scout must complete every requirement listed above (including the hike) and attend all periods. The unit is responsible for the final passing of the requirements achieved. Though we are confident the Scout will know all material presented, we encourage Troop Leaders to retest their Scouts each night in the campsite – as well as when you return home from summer camp

Eagle Required Merit Badges such as First Aid, Communication, and EPrep will be provided by Frontier staff during afternoon blocks (Monday-Thursday). It is not a part of the Frontier program, but is a badge taught by Frontier staff.

Griswold Scout Reservation does not sign off on these rank, merit badge requirements, or certifications. The Totin' Chip and Firem'n Chit cards can be purchased in the trading post and only with scoutmaster approval.

Certain elements require scouts to be aged 14 and up.

You can do any of these with your troop and a staff member with Plan Your Own Hike! It's the fun of all the classic Ecology hikes in one Program!

ASTRONOMY

When you wish upon a star...you know you're at camp. Look at the summer constellations and learn about the sky's celestial bodies and the myths which accompany their storied history. It's a tradition as old as time, but there's no better time to do it than when you are at GSR. Patrols who sign up for this can work on the Astronomy Merit Badge or enjoy a nice night looking at the stars. Note: If you are signing up for the badge an afternoon activity slot is required.

CONSERVATION PROJECT

Help maintain Hidden Valley and practice the Outdoor Code! With permission from your troop leaders this could be used toward rank advancement and it's a good way to give back to the "Land Made for Scouting."

Over the river and through the roads on ATVs you will go! There's no better way to enjoy the many acres of Griswold Scout Reservation than on an All-Terrain Vehicle? Daniel Webster Council is one of only a select group of Councils across the USA to run an ATV Program. This older scout program is a blast for the participants, and we can't wait to see you enjoy it soon!

ASI TRAINING & TRAIL RIDE

This program features an ASI rider safety course (complete with certification) which will teach the rider all parts of the ATV, how to care and maintain an ATV and all rules of the road and operational techniques. Riders will be challenged to perform proper riding and control techniques on Camp Bell's one-acre 'terrain neutral' course in order to complete the certification.

Once the ASI rider course is complete, the day culminates with a trail ride – based on time remaining and the overall ability of the group through the many trails, roadways and beautiful sections of the Griswold Scout Reservation.

ATV EXTENDED TRAIL RIDE

Only riders who are already ASI-certified are eligible for participation in this program.

Riders will begin their day preparing their machines and reviewing the parts, basic care and rules of the road. After properly reviewed, a visit to Camp Bell's one-acre 'terrain-neutral' course will retest the rider's aptitude and familiarize him/her with the machine.

Once satisfactorily prepared, the remainder of the day will feature trail riding throughout the expansive and beautiful roads, trails and byways of Griswold Scout Reservation

ATV OUTPOST

For those riders who are ASI-certified, you might consider leaving on an ATV to a remote spot in the back country. After dinner, you will meet at the ATV Barn and depart for some riding until you come to the location you wish to stay overnight in the GSR back-country! Wake up early and return in time for breakfast and program.

FARM

Come to the stables of Camp Bell to become acquainted with some of the skills and challenges it takes to care and manage horses and other farm animals! This experience will challenge Scouts and excite the imagination with the tales of how the horse helped settle the US and has been a significant importance in our history. Chances are, you will make some new four-legged friends along the way too!

ANIMAL SCIENCE

Make some new four-legged friends as you take care of some of the animals that make up the Bell Farm. Scouts will be able to work on the Animal Science Merit Badge as they learn about life on the farm.

Before you go for a ride, you will get hands-on training into what it takes to care for the form of transportation with the most horse-power on reservation. Scouts will also have the opportunity to work on the Horsemanship Merit Badge. There is an additional charge for this program.

HORSEMANSHIP II

Back in the saddle again. Take your riding skills to the next level with hands-on tips from the GSR staff. Scouts who partialed the Horsemanship Merit Badge can finish up their requirements, but you can also spend time going through the Bell neigh-borhood with an extended trail ride! This program is not for "first timers". There is an additional charge for this program.
